Education
Public Schools

Situated in beautiful grounds, you will find our historic school conveniently located right in the heart of Sutherland.

Our well-resourced school includes two computer labs, Interactive Whiteboards and desktop computers in each classroom, a modern and beautifully set out library, attractive double-room classrooms, and modern playground facilities..

A Before & After School Care Facility is also on site for your convenience.

the best for your child.*

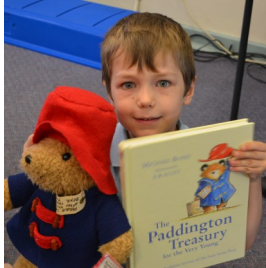

INVITATION

As the parent of a child starting Kindergarten in 2018, we would like to invite you to our Orientation Day and Kinder Transition sessions at Sutherland Public School.

During our Orientation Information Session you will meet our Principal, Mrs Leah Woolley, our dedicated teachers and other members of our school community.

You will have an opportunity to see our school and ask any questions you have about your child starting school.

We know that your child's education and happiness are very important to you, so we look forward to you joining us on these days.

WHAT IS KINDER TRANSITION?

Kinder Transition is a kindergarten program that allows students to meet teachers, families and themselves with the school and find out about the types of activities the children will be doing in Kindergarten in 2018.

When children attend this program they settle into the first few weeks of school with greater ease, because they can have positive memories of their school and become excited and enthusiastic to attend.

ABOUT US

At Sutherland Public School our students prosper in a warm, supportive and safe learning environment.

We have an excellent welfare and discipline program with a focus on social skills, decision making and citizenship.

We value individual differences and lead each child to appreciate his or her own talents and those of others.

Opportunities are provided for the development of leadership skills, and students are inspired through the use of stimulating activities and materials across the curriculum.

We offer an extensive creative arts program that includes dance, drama, art

and music, fostering the individual talents and interests of each student.

We regularly participate in major performances including the Sutherland Shire Music Festival.

Our sports program builds on a tradition of achievement. We provide daily physical education for all and run successful sporting teams coached by very experienced staff. Participation in sport builds teamwork, confidence and leadership in our students.

GETTING INVOLVED

Parents are encouraged to come along and be involved in our P&C, which meets on the first Monday of the month. There are many opportunities to be a volunteer in our school community these include: Classroom Reading tutors, Canteen and special subcommittees of the P&C; Bookclub and Uniform shop.
